Give Demonstration On Leathercraft

The regular meeting of the Reid Hill W.I. was held at the home of Mrs. Earl Deal, Thursday, June 12 with 13 members and one visitor present. The meeting opened with the usual ritual, and Mrs. Bowie, the president in the chair.

Roll Call was answered with "What I Wore at my Wedding", and "Where I Went on my Honey-moon." A most interesting demonstration on leather craft was shown by Mrs. Ina Oher of the Thigh Hill branch, who kindly showed the meeting many fine points in this art.

The tea draw was won by Mrs. J. French, and a most delicious lunch served by the hostess.

Good Deeds W.I. Hears Reports

The June meeting of Good Deeds W.I. was held at the home of Mrs. A. Fisher with an attendance of 16 members and three visitors.

The meeting agreed to provide a better arrangement for heating the Vulcan library, the details to be left to the library board.

A \$5.00 donation was made to the A.W.I. Girls' Club fund. This fund will assist in sending girls to the convention in Oids in July.

Mrs. Harry Smith received the Consumers News for the month. It was noted that bacon was still being sold in colored wrappings in spite of protest by the consumers. It was also felt that metal staples used in sealing food packages are dangerous and that some better method should be used.

Mrs. R. S. Irwin gave a detailed report of the Little Bow Constituency conference in Vulcan. The president, Mrs. C. L. Duncan, thanked the lunch committee for their splendid support in assisting other branches in putting on the noon meal at the conference.

The roll call "A Law I Would Pass" revealed that some members would rather have some of the present laws enforced, particularly the liquor and traffic laws. Others felt that all public dances could end at 12 o'clock and that stricter censorship should be imposed on movies for children.

A paper on Citizenship entitled "The Declaration on Human Rights" was given by Mrs. R. S. Irwin.

Mrs. A. Mosley and Mrs. Jack Fisher assisted the hostess in serving a lovely lunch. The next meeting will be held at the home of Mrs. H. I. Montgomery, Aug. 14.

LAST OF THE ANSONS

Sir Roy Dobson, managing director of A. V. Roe & Co., recently handed over to the R.A.F. the 11,020th—and last—Avro Anson aircraft. The versatile Anson, originally intended for coastal reconnaissance, has been used in combat, for training, for passenger and freight carrying and in early radar trials. It has also been used in fighting locust plagues as well as for policing in Australia and ferrying supplies in Canada's northland. Since 1935, more Ansons have been turned out than any other aircraft in aviation history.

The peanut is a tuber and grows underground like a potato.

Alex Smith, chairman of the board of the Vulcan Municipal Hospital District, was presented with a certificate commemorating his 25 years' service as a member of the hospital board, on June 13.

The Certificate of Service was presented to Mr. Smith on behalf of the Department of Public Health by M. R. Bow, M.D., Deputy Minister of Health in the provincial government, who was accompanied by E. E. Maxwell, supervisor of municipal hospitals. The presentation was made at a meeting of the present members of the Board and of former Board members and Mr. Smith was also presented with an arm chair, W. Dyce Allan, board member and mayor of the Town of Vulcan, making this presentation on behalf of the hospital district.

Mr. Smith was active in having the first hospital district established here and was chairman of the first elected Vulcan hospital board, early in 1923. He has been a member of the hospital board since that time—an outstanding record of service as a hospital board member.

The certificate reads: "The Province of Alberta Department of Public Health extends its appreciation and thanks to Alex Smith for his faithful and valuable services rendered as a member of the Board of the Vulcan Municipal Hospital District No. 19 during a period of 25 years and for the contribution which he has made to the development and improvement of Hospital Services in Alberta."

Other former and present hospital board members and municipal officials present at the meeting included J. E. Carlson, A. R. Hanna, H. C. Douglass, Wilson Oldfield, O. B. Roe, C. H. Smith; D. D. McQueen, secretary-treasurer of the County of Vulcan; D. A. McAfee, secretary-manager of the Vulcan Municipal Hospital; Miss M. M. Sissons, hospital matron; and Mrs. Edna M. Farr, secretary-treasurer of the Town of Vulcan.

Highlanders On Overnight Scheme West of Stavely

Over 50 members of "A" Company, Calgary Highlanders, under command of Major Bob Munro, participated in a battalion scheme in the Stavely area last weekend.

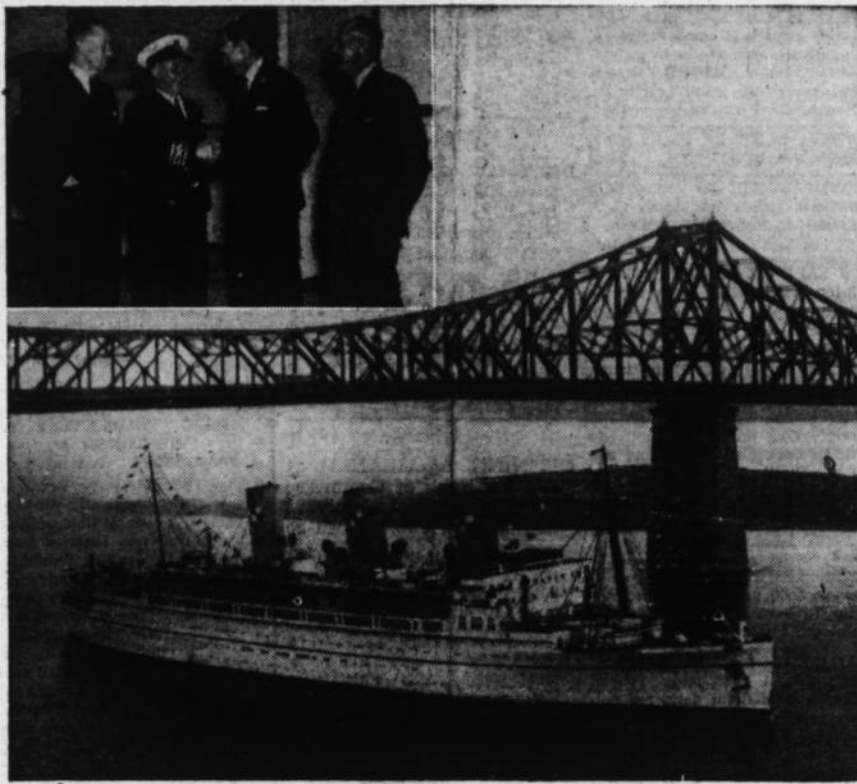

The overnight scheme was marred by showers early Sunday morning, but clearing weather allowed the program to proceed and some interesting demonstrations were given. Four Mustang aircraft of the City of Calgary squadron thrilled the troops with a mock strafing attack and detachments of other Reserve Army units also took part in the scheme.

The semi-annual pay parade for "A" Company will be held at the Vulcan Armouries this Friday evening, June 20 and will be followed by a dance for the men of the company and their ladies. Music for the dance will be supplied by Len Davis of Calgary, and the Sunshine Social Club will cater for the lunch.

Church Women Attend Convention

The annual convention of the Women's Society of World Service of the E.U.B. church of the North West Canada Conference was held recently at Warner, Alberta. Delegates from Saskatchewan and Alberta points were present. The president, Mrs. A. J. Grams of Didsbury, presided. Miss Gladys Ward, E.U.B. missionary from China was the guest speaker. Officers elected for the coming year included Mrs. A. J. Grams, president; Mrs. F. W. Snider, Calgary, vice-president; Mrs. S. R. Schierman, Warner, secretary; Mrs. D. R. Schierman, Vulcan, treasurer; Mrs. F. E. Vorrath, (formerly of Vulcan, now of Medicine Hat) secretary of Christian Education. Those who attended from Vulcan were: Mrs. A. Hilt, Mrs. A. Kaiser, and Mrs. D. R. Schierman, also Mrs. Charles Lebsack, Champion.

At the Forest Nursery Station, Sutherland, Sask., 40 acres of tree seedlings, mostly caragana, have been planted for future distribution.

LARGEST LINER: The Empress of Scotland, 26,300-ton flagship of the Canadian Pacific fleet is shown here passing under the Jacques Cartier Bridge at the entrance to Montreal harbor to make history as the largest vessel ever to arrive in the world's largest inland port. The big luxury liner and cruise ship, which had to have her masts shortened by almost 45 feet

to clear under bridges and power lines on the way up-river from Quebec, will make Montreal her Canadian terminal for the remainder of the 1952 St. Lawrence navigation season. The 666-foot long vessel carries 663 passengers, and will make one trip every three weeks between Liverpool, England, Greenock, Scotland, and Montreal. The inset shows Capt. C. E. Dug-

gan (in uniform), master of the largest and fastest vessel on the St. Lawrence route, being welcomed to Montreal by Capt. J. P. Dufour (second from right) Montreal harbor master, while looking on are A. C. MacDonald (left), managing director of C.P.S., and Andre Gauthier, river pilot, who was aboard the vessel for the 139-mile run up river from Quebec.

Banks Welcome Lifting Of Credit Restrictions

L. G. Gillett, President of The Canadian Bankers' Association, declared the chartered banks "welcome a return to normal, competitive banking" with the lifting of bank credit restrictions by the Bank of Canada a month ago.

In his address to the annual meeting of the Association, he noted that restrictions on both consumer credit and bank credit had been lifted in recent weeks. Both were "welcome steps, as they indicated a belief that inflation has been brought under some measure of control in Canada."

"I am sure I am speaking for the whole business community in saying that, just as everyone was prepared to co-operate speedily and completely with the government in its anti-inflation program, we welcome removal of restrictions and impediments to ordinary business practice as they become unnecessary or inadvisable."

"In applying the bank credit restrictions, the banks sought to further the national interest and now we welcome a return to normal, competitive banking, so long an integral part of Canadian life. If the policy contributed to the lessening of inflationary pressures in Canada and helped to preserve the purchasing power of the consumer's dollar, the banks are content and amply repaid for the difficulties and inconveniences involved."

"From all this, it should not be gathered that all danger from inflation has been left behind. Far from it, but I will say this much: we have beaten off its initial threat and stand better prepared for what ever the future may hold."

Regular Meeting Of Keystone Class

Mrs. Donald Smith was hostess to the Keystone Missionary class of the Church of Christ recently. Hymns were sung and prayers given. Roll call was responded to by each member giving her father's name and place of birth. A financial report showed a balance of \$8.81 in the treasury. Mrs. A. Wismer gave a very fine devotion taken from John 14 and 15. At the close the ladies joined in a sing-song and enjoyed a lovely lunch prepared by the hostess. The July meeting is to be held at Miss N. Ware's home.

Golden Wedding of Former Residents

Mr. and Mrs. William Thomas celebrated their Golden Wedding anniversary, June 4th, in the Canadian Legion hall at Sylvan Lake.

Married in Tekumseh County on Manitoulin Island, in 1902, Mr. and Mrs. Thomas moved three years later to Alberta, settling in what was to become known as the Brant district. Here they homesteaded and continued to farm until moving to Eckville in 1934.

Members of the family attending the celebration were: Mr. and Mrs. Eugene (Elizabeth) Gibson of Vancouver, Wash., and their daughter, Mrs. Victor Mills, Portland, Ore.; Mr. Al Thomas, Fort Macleod, Alta.; Mr. and Mrs. Delbert Thomas, Joan and Allan of Vulcan; Mrs. Marion Thomas, and Timothy, Black Diamond; Mr. and Mrs. (Loretta) Fleiger, Janice and Tommie, Innisfail; Mr. and Mrs. Clare Thomas, Sharon, Teddy and Linda, Rimbey. Two sons, Russell of Fort St. John, B.C. and Arthur of the Canadian Army Corps. Also unable to attend were grandchildren: Eugene Gibson, Jr., Elizabeth, John and Judy Thomas. One son, Norman died in 1941. Present also was Mrs. Thomas' sister, Mrs. S. Cruthers of Vermilion who attended the wedding half a century ago; Mr. and Mrs. Robert Dingwall, Elizabeth, Grace, George and Rea. Mrs. Dingwall is the sister of Mrs. Thomas and she too attended the wedding of Mr. and Mrs. Thomas. She and Mrs. Cruthers had not met again since the long-ago wedding day. Among others present were Mrs. Agnes Thubron, Mr. A. Thubron and Percy Thubron of Gilby.

The tables were attractively laid, with gold decorations and mauve lilacs. The bride's table was beautifully arranged with a lace cloth, and centred with a three-tiered anniversary wedding cake, flanked by gold tapers.

Grace was asked by Mr. R. Dingwall and a toast to the bride and groom was proposed by their eldest son, Al. Mrs. Thomas wore a corsage of pink carnations presented to her by her eldest granddaughter.

The honored couple were the recipients of many lovely and appropriate gifts.

Later in the evening the family

Bible Conference Hears Missionaries

The annual Vulcan Fellowship Bible Conference was held in the local theatre Sunday. Meals were served in the E.U.B. church. Speakers for the day were: Rev. J. Cunningham, returned missionary from the West Indies and Rev. A. Cornell of the Berean Bible Institute, Calgary. Chairmen were: for the morning, Rev. M. Kenny; for the afternoon, Rev. D. Clark, Arrowwood; and for the evening, Rev. A. W. Roth. Districts represented beside Vulcan were Calgary, Coaldale, Nanton, Champion, Blackie, Ensign, Brant, Barons, High River, Arrowwood, Weyburn, Sask. and Winnipeg, Man. Music and special singing were provided by various groups.

Rev. Cunningham stressed the need of an indigenous church in the West Indies, saying that only by training native leaders could Christianity be spread. He also reported that his brother Don, who has been a missionary in China, had been kept in a cell 6x8 for 11 months and was given only turnip tops to eat. Don, being well over six feet tall, now weighs only 130 lbs., as a result of his starvation diet. Mr. Cunningham promised that in the near future his brother would visit Vulcan and tell his own story.

Women's Institutes Hold 34th Annual Conference

Mrs. A. W. Maisey of Kirkcaldy, W.I. convener of the Little Bow Constituency, presided at the 34th conference held at the L.O.O.F. hall in Vulcan on Wednesday, June 11. Mrs. Arthur McIlroy of Shaughnessey, Director of District 4, was present, and Mrs. Donald MacKay of Kirkcaldy acted as secretary in the absence of Mrs. W. A. Anderson. Hostesses for the conference were Thigh Hill, Reid Hill and Good Deeds Institutes.

Program for the day commenced with registration at 9:30 a.m. Mrs. Mainland of Thigh Hill and Mrs. Main of Kirkcaldy in charge of the register. Mrs. R. Macleod of Champion gave the flag salute, followed by the W.I. Creed. Address of welcome was given by Mrs. White of Thigh Hill, replied to by Mrs. D. Shearer of Barons. The devotional followed by the Lord's Prayer was read by Miss Janet Ware of Kirkcaldy. A minute of silence for departed members was observed. The minutes and treasurer's report was then read by the secretary.

Committees appointed for the day were: Resolution, Mrs. Marshall of Reid Hill and Mrs. Clements of Kirkcaldy; Nomination, Mrs. McQuarry of Barons and Mrs. Knudtson of Champion; Courtesy, Mrs. Sissons of Champion and Mrs. Spaeth of Good Deeds.

Corsages were presented to the Director, Mrs. McIlroy; the convener, Mrs. Maisey; and the secretary, Mrs. MacKay, by Miss Janet Ware.

Branch reports were given from the secretaries of Barons, Thigh Hill, Champion, Good Deeds, Reid Hill and Kirkcaldy. Standing committee reports were presented by the respective conveners, Home Economics, Mrs. Little, Champion; Citizenship, Mrs. E. Roebuck, Thigh Hill; Agriculture and Canadian Industries, Mrs. Janet Ware, Kirkcaldy; Health, Education, Mrs. C. Denison, Good Deeds.

The conference then adjourned to a lovely dinner served by the hostesses.

The afternoon session opened with community singing accompanied at the piano by Mrs. D. Galbraith. Handicraft report was given by Mrs. D. Shearer, Barons, followed by Girls' and Boys' clubs report by Mrs. R. Heglund, Champion.

Special entertainment of two solos by Mrs. D. Galbraith and two tap dance numbers by Linda Gay Flitton were greatly enjoyed by the conference.

In the address given by Mrs. Arthur McIlroy she urged the members to have their organization at heart, be prepared to take office and to do one's duty, not leaving all the work to the willing workers. At the W.I. meetings be on time, abide by the vote, pay attention and add to the discussions. Mrs. McIlroy also advised us to learn and remember our creed, subscribe to the Home and Country, and attend the conferences.

For branch suggestions the Director advised executive meetings be held before regular meetings to plan the business, saving time for further entertainment. Yearly programs should be prepared with interesting roll calls for each month. Our Home Economist is willing to aid us in any way and we should co-operate with her. Other branch reminders were simple lunches, bring in new members, pay our dues promptly, support our Girls' and Boys' Clubs financially and support the Alberta Women's Institute.

Mrs. McIlroy thanked the branches for their co-operation during her four years as director. In appreciation of her services, Mrs. Maisey presented Mrs. McIlroy with a gift as a farewell remembrance.

Mrs. A. W. Maisey read her constituency convener's report. She pointed out there were 12 charter members of the Women's Institute and five constituency conveners at the conference. Mrs. Agnes McKay of Vulcan, who was the first constituency convener of the Little Bow, appointed 34 years ago, and Mrs. Marshall, who was the secretary for the same conference, were present.

The Resolutions committee read three resolutions as follows: (1) This resolution was sent to the Attorney-General in Alberta and in Ottawa.

Whereas crime comics and cheap sex novels now on sale at the news stands are detrimental to the morals of the readers and,

Rain and Hail Tuesday Night

Crops have generally been making good progress, although Tuesday night a hail storm concentrated in the area west of town is reported to have badly cut up some fields. This would mean a setback to the crops affected, but hail damage this early in the growing season is not as serious as it would be later on.

The hail was accompanied by heavy rain and most parts of the district received showers of varying intensity. Some gardens were hard hit by the hail and the occasional recent light frost has also caused some garden damage.

Mrs. Hulda Peterson Milo Pioneer, Dies

Funeral services for the late Mrs. Hulda Peterson were held in Vulcan Church of Christ, Tuesday, June 10 with Rev. J. S. Clarke officiating. Pallbearers were Everett and Loyal Herman, Harold Thomander, Roy Page, Charles Northcott and Lawrence Monner. Mrs. Peterson was an old-time resident of Milo and Calgary and later resided with her daughter in Kelowna.

She is survived by her husband, Nels of Vulcan; five daughters, Mrs. McIntyre of Sundre, Mrs. Herman of Calgary, Mrs. Andrews of California, Mrs. McCougherty of Kelowna and Mrs. Robertson of Vulcan; five sons, Raymond, Conrad and Arthur of Milo; Walter and LeRoy of Washington; 29 grand children and 26 great-grand children, also one sister and two brothers in the United States.

whereas we understand some of these publications have been banned but are imported regardless of rules and regulations, to the country. Therefore be it resolved that these restrictions be enforced and further, be it resolved that all publications of this nature be banned and prohibited from sale.

(2) In as much as our motto is for Home and Country and as we wish to uphold the dignity of our Country and our Flag, therefore be it resolved that we in this constituency in future provide a flag staff and stand for the flag and not have it draped over the piano. (3) Whereas the constituency conference reports are from conference to conference and, whereas secretaries are elected at annual meetings which are directed to be held in December and whereas this compiling of the two half years' activities into a report for constituency conference causes confusion be it resolved that the annual meeting of the branches be held in May instead of December, thereby automatically making reports from May to May.

The nominating committee appointed as Health and Education convener Mrs. C. Denison of Good Deeds; As Handicraft convener, Mrs. A. D. Lyons Barons; and Home Economics convener, Mrs. Sissons, Champion, for the next two years.

Handicraft awards given were prize for quilt, Mrs. Fisher of Good Deeds, Knitted Sweater, Mrs. Silverton, Barons, Mrs. Sissons, Champion, and Mrs. Andrakson, Barons, tied with eight points each for first place in the handicraft display. Mrs. Irwin and Mrs. Denison of Good Deeds tied seven points each for second place, Mrs. Johnson, Barons, 5 points for third place.

In the novelty display, Mrs. R. Robbie, Kirkcaldy won first prize, Mrs. Madill, Barons second, Mrs. Macleod, Champion third and Mrs. Gygis, Barons, fourth place.

A very nice display from the Busy Bees Girls' Club of Kirkcaldy was recognized and honorable mention was given them.

The courtesy report was read by Mrs. Sissons. A hearty thanks to the hostesses, Thigh Hill W.I., Reid Hill W.I., and Good Deeds W.I. for the delicious dinner at noon and tea in the afternoon, sincere thanks to the handicraft judges, Mrs. E. S. Kehr, Mrs. Chesler Rea and Mrs. C. S. McAskie.

The Champion Women's Institute invited the conference to meet there in 1953, to be assisted by the the morals of the readers and, Kirkcaldy W.I.

A GENERAL MOTORS VALUE

Illustrated—2-Door Custom Riviera

Right from the start - you'll love it!

IT ISN'T always the big things that tell you how downright good a car really is.

You'll note, for example, that this Buick has—not one—but two sets of figures on its speedometer. There's one for total mileage, which almost all cars give you. And there's one for trip mileage, found on all Buicks, but rare on other cars carrying comparable price tags.

Then there's the way a Buick starts. No groping for a starter button on the dash. You just push down your foot on the accelerator pedal—and one motion does the whole job.

That's something else found only on a Buick—and we can give you a good guess what the reason is—it's a costlier device.

And when you step on this combined starter-accelerator—boy, do things start to happen! That great-powered Fireball 8 Engine purrs into action—and you're off with the steady swoop of a Diesel streamliner on the rails.

Now, you discover something else. Buick's Million Dollar Ride. Sure-footed on curves, level-gaited on the straightaway, steady and true on course—it's worth every dollar it cost in tools, engineering and special features—including the magic of Dynaflo Drive.*

BUICK SUPER

What we are trying to tell you is this:

No matter how you size up a 1952 Buick—by its features, its fabrics, the way it performs, the way it rides—or the cost per mile of operation—you find that nothing is spared to make it the greatest buy it has been in years.

And that's doubly significant when you remember that Buick delivered prices start down at a figure that any new-car buyer can easily reach.

How about checking this for yourself, at your nearest Buick dealer's?
